SM-T300

Dust Protected & Splash Proof Three Inch Portable Printer

Ideal for the ever growing field service/portable industry, the SM-T300 is ideal for workers requiring handhelds to seamlessly print to a portable printer.

Its rugged and splash proof design coupled with a long battery life makes the SM-T300 a welcomed option for applications in harsh outdoor environments, such as service & delivery, public safety and utilities.

In addition to easy drop in & print paper loading and a print speed of 80mm per second, the SM-T300 also features an LCD display, magnetic stripe reader and comes standard with Serial and Bluetooth connections.
