QuickStore

POINT - OF - SALE SOFTWARE

Big Business Tools. Small Business Attitude.

Wasp QuickStore Point of Sale™ software is designed to help independent retailers run faster and more efficiently, while providing customers with the service they demand. Wasp's easy-to-use POS barcoding software delivers the tools that larger retailers use, without the complexity or cost typical of these solutions. Whether you are opening your first retail store or planning to expand your operations, Wasp's POS software will improve your business efficiency. Lower operating costs, improved sales and higher customer satisfaction will help make your business a success.

Wasp QuickStore delivers easy access to inventory, customer, sales and business data in one software solution. From maintaining accurate inventory counts to tracking customer purchase history and item sales history, QuickStore delivers the information you need to manage your retail business. Credit, debit and gift card transactions are simple with fully integrated X-Charge processing.

Choose from QuickStore Standard, Pro or Enterprise software, designed to meet the needs of independent retailers.
