WPL305

BARCODE PRINTER

Big Business Tools. Small Business Attitude.

The WPL305 is a compact, desktop barcode printer that delivers outstanding versatility and performance at a surprisingly affordable price. Ideal for light to medium-duty barcode printing, the WPL305 is recommended for applications including shipping and receiving, inventory control, asset tags, shelf labels, healthcare, transportation and logistics.

Featuring a full 32-bit processor that speeds processing and improves throughput, the WPL305 offers print speed of up to 5 inches per second. Combined with 8 MB DRAM and 2 MB Flash memory, the WPL305 ensures quick printing of labels with text, graphics, and barcodes.

Designed to be extremely easy to use, the WPL305 includes drop-in media replacement for fast and simple media loading. Multiple connectivity options including USB, serial, parallel and optional external Ethernet print server allow for easy installation.

The printer includes WPL, EPL and ZPL emulation, adding to its versatility and providing compatibility with any application.

WASP WPL305 FEATURES

- ▶ Direct thermal and thermal transfer printing abilities
